

Hello UAW Local 160 Member,

The following letters will offer suggestions to register your profile in “Edassist” and courses you would like to take. The first file is the official “UAW-GM TAP Guideline”. This will inform you of your benefits if eligible.

The second file provides needed username and password. Substitute your school and curriculum in place of Penn Foster and the STARC program, unless that is what you want.

If you need assistance with Edassist, I can help! My name is Rich Prentiss UAW Local 160 JTR. My phone number is (586) 986-7358. [richard.prentissjr@gm.com](mailto:richard.prentissjr@gm.com). My office is in the Link building, in the hallway leading to the turnstile next to Labor.
