Meeting*

**October 28th-**

*Aramark Unit  
Meeting*

**October 31st-**

*Halloween*

**October 2021**

## PRESIDENT'S PRAISE

Your Local 160 Union Hall recently organized a Local 160 golf outing on the last Sunday in August at Rambler Golf course in Sterling Heights. Many of the golf teams are shown in this newsletter.

The event was a huge success with twice the number of golf participants from previous outings.

A big thank you to our Local 160 members and their guests who came out strong for such a fun event. And a special thank you to Vice President Mike Dempsey (Rec. Chair), members Danielle Green-Warmack, Jessie Kelly, Angela Bia-Shock, and Wendy Modena, who volunteered their time to help us make this golf outing put on by Local 160 one huge success.

Look for the Local 160 school supplies "drive thru" giveaway that will be highlighted in next month's "All Things 160" newsletter.

*In Solidarity,*

*David Small*

President of Local 160

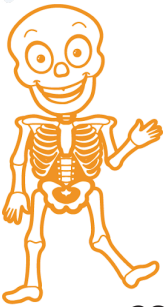

*Participants toast to a successful Local 160 golf outing event!*

The workers who make and distribute Oreo Cookies, Ritz Crackers and other Nabisco snacks are returning to work this week following a five-week strike that brought national attention to the working conditions inside their plants. They got a lot of what they fought for heading off a serious overhaul of the company's health care plans.

The union representing Nabisco workers, BCTGM, is still asking for support by asking all consumers to check the label of Nabisco products. Since some products, especially Oreos, are made in Mexico, they are asking consumers to make sure the ones that you buy are made in the United States by union labor.

**Remember to always check your labels!**

Dear Rosie,

Will there be a Breakfast with Santa event at Local 160 this year?

-Christmas Chris

Dear Christmas Chris,

Yes! Please keep an eye on upcoming postings or visit the Local 160 Website under Current Events to stay up to date with all event information.

In Solidarity,

*Rosie*

**STIHL**

*Your landscape,  
your rules.*

Keep leaves, clippings and other yard debris under control with STIHL handheld blowers, backpack blowers, or shredder vacs. From homeowners to professional landscapers, STIHL is the name to trust for hardworking equipment that lasts, season after season. Each model is designed for efficiency, ease of use and exceptional power. Whether you maintain a small urban lot or acres of land, there's a STIHL handheld or backpack blower ready to exceed your expectations.

<https://www.stihlusa.com/>

Recognizing that the U.S. was one of the largest markets in the world, in the 1970's the Stihl family decided to open a manufacturing facility in Virginia Beach, Va. The location's close proximity to one of the country's largest deep-water ports and its ready-to-work labor force made Virginia Beach the ideal location. Today, 2,100 employees, working in over one million square feet of operating space, manufacture millions of powerheads a year on the sprawling 150-acre STIHL Inc. campus.

**A majority of STIHL gasoline-powered units sold in the  
United States are built in the United States.**
